PO Box 372  
Aledo, TX 76008

*"Coach Garnett's Guard-Post School has been an integral part of our development over the past several years. I have had my two boys and several teammates participate for many years. Coach Garnett truly cares about his campers and goes above and beyond to help each individual athlete improve. If we had to choose one camp each summer, this would definitely be the one. Coach Garnett is a class act and an excellent clinician. I strongly recommend Coach Matt Garnett and his basketball schools."*

Coach **Matt Garnett** is the owner, founder, and director of MGBasketball Instruction. Since MGBasketball's inception in 2008, Garnett has developed his MGBasketball Guard School and Post School camps that are held each summer for both girls and boys. After a successful career as a collegiate head coach, Garnett and his family relocated to the DFW area, and he is focusing his efforts on Player Instruction and will be running Skill Development Academies throughout the year for both girls and boys of all ages. During the 2016-17 season, Garnett served as the Associate Head Men's Basketball Coach at Texas Wesleyan University in Fort Worth, Texas.

Garnett spent ten years coaching at the high school and collegiate level. During his time as the head coach at McMurry University, Garnett led McMurry to its first American Southwest Conference Championship and NCAA National Tournament appearance in over ten years. As well, he was named the Conference Coach of the Year. During his tenure at Wayland Baptist University, Garnett orchestrated a turnaround leading the Pioneers back to the NAIA National Tournament in both 2014 and 2015 after inheriting a team that won only nine games prior to his arrival. The 2014-15 season produced a 27-6 record and the school's only Sooner Athletic Conference Championship in the history of the program.

"Garnett is known for his specific and detailed approach to teaching the game of basketball. Using practical methods, he equips players with the skills needed to take their game to the next level."

Garnett graduated from Wayland Baptist University with a B.A in English and holds a Master's Degree in Christian Ministry from Wayland Baptist University.
